

Span Cyber Security Arena Program

span | Arena

Session categories

General

Designed for all audiences, requiring minimal prior knowledge.
These sessions focus on concepts, overviews, and fundamental principles.

Advanced

Designed for participants with foundational knowledge of the subject.
These sessions explore more complex topics and assume familiarity with basic concepts.

Deep Dive

Expert-level sessions offering in-depth analysis of specific topics.
These sessions demand substantial prior knowledge and experience.

Monday, May 19
